CONTAINERIZED HOUSING

Factory Erected-Ready to Ship

Focusing on innovative concepts, pre-fabricated mobile containers are being adapted to meet the solution of accommodation units which can be setup at any location.

Offering a unique, practical solution, TSSC specializes in the manufacturing of high-quality pre-fabricated mobile container housing units. Based on ISO shipping container sizes (20 ft, 40 ft and 45 ft). The Container Housing Unit offers the following features:

- **Factory assembled, furnished & ready for delivery**
- **Flat Pack option available**
- **Easy to transport**
- **Customizable**
- **Relocateable and Reusable**
- **Eco-friendly**
- **Light weight**
- **Durable**
- **Fire Rated & Fire Retardant**
- **Superior Thermal Insulation**

Built with a prefab composition of light gauge steel, thermal and acoustic panels on the wall, roof and floor, TSSC's container housing offers the right balance of economy and safe housing. In addition, these containers are made from ecologically friendly materials that can be simply bolted and installed together in a short span of time. Moreover, these units can be relocated and reused without compromising on the quality.

Containerized Housing Systems have been used in the following applications:

- General Housing
- Shelters
- Accommodations
- Clinics
- Schools
- Hotels
